

Patient Financing

Affordable payment plans from UBT

When a medical event occurs, your focus should be on recovery — but often, the stress of medical bills and high deductibles can be overwhelming and distracting. That's why we've partnered with Union Bank & Trust to offer you flexible repayment options for any budget, so you can turn your attention to what's most important: your health and well-being.

Benefits for you:

- Flexible low-interest payment options
- Plans that can be extended over a longer term, allowing lower monthly payments
- No credit check
- Simple electronic application and closing process
- Ability to combine multiple account balances into a single UBT loan with one monthly payment
- Electronic payment can be automatically deducted from your checking or savings account
- No prepayment penalties
- Excellent customer service from UBT, a family-owned Nebraska bank that was recently recognized as the #2 bank in the U.S. in Forbes' "World's Best Banks" survey

We're here to help

When you're ready to get started, we're ready to assist you.
